Re: Technical Amendment to 1915 ( c ) CAP-MR/DD Waiver

Dear Dr. Dobson,

Please find attached a technical amendment to our 1915 ( c ) CAP-MR/DD Waiver. This technical amendment proposes to add an additional 2,000 individuals to the waiver in waiver year one in order to address the needs of individuals meeting the waiver eligibility requirements who would have been eligible for Developmental Therapies had it been approved by the Centers for Medicaid and Medicare (CMS). This technical amendment applies to individuals who are legal residents of all North Carolina counties except for those who reside in the following North Carolina counties: Cabarrus, Davidson, Rowan, Stanly, and Union counties. The Piedmont Innovations Waiver will serve individuals in these five counties.

Enclosed you will find the amended Appendix G of the 1995 version of the waiver application which reflects the increase in numbers of unduplicated individuals served.

If you require any additional information please contact Leza Wainwright at [leza.wainwright@ncmail.net](mailto:leza.wainwright@ncmail.net) or call her at 733-7011.

Sincerely,

Michael Moseley
